Annual Fee

Smart metering as a service

Billing as a service

1 Send pricing

Time-based pricing
(\$/kWh)

2 Calculate end user electricity cost

Time-based pricing × Interval data
(\$/kWh) × (kWh)

3 Insert electricity cost to end user bill

EVERSOURCE

Account Number: 1234 567 8900
Statement Date: 05/01/16

Customer Name: JOHN J. BAKER
1234 Main St.
Any Town, CT 06000

Total Amount Due: \$151.00

Amount Excluded: \$0.00
