

The image features a blue background with a diagonal gradient from light blue in the top-left to dark blue in the bottom-right. The word "uplight" is positioned in the lower-left area. The letters "up" are in a bright green color, while "light" is in white. A small white dot is placed below the letter "i". A small trademark symbol (TM) is located at the top right of the word.

uplightTM

OUR MISSION

We Motivate and Enable Energy Users and Providers to Accelerate the Clean Energy Ecosystem

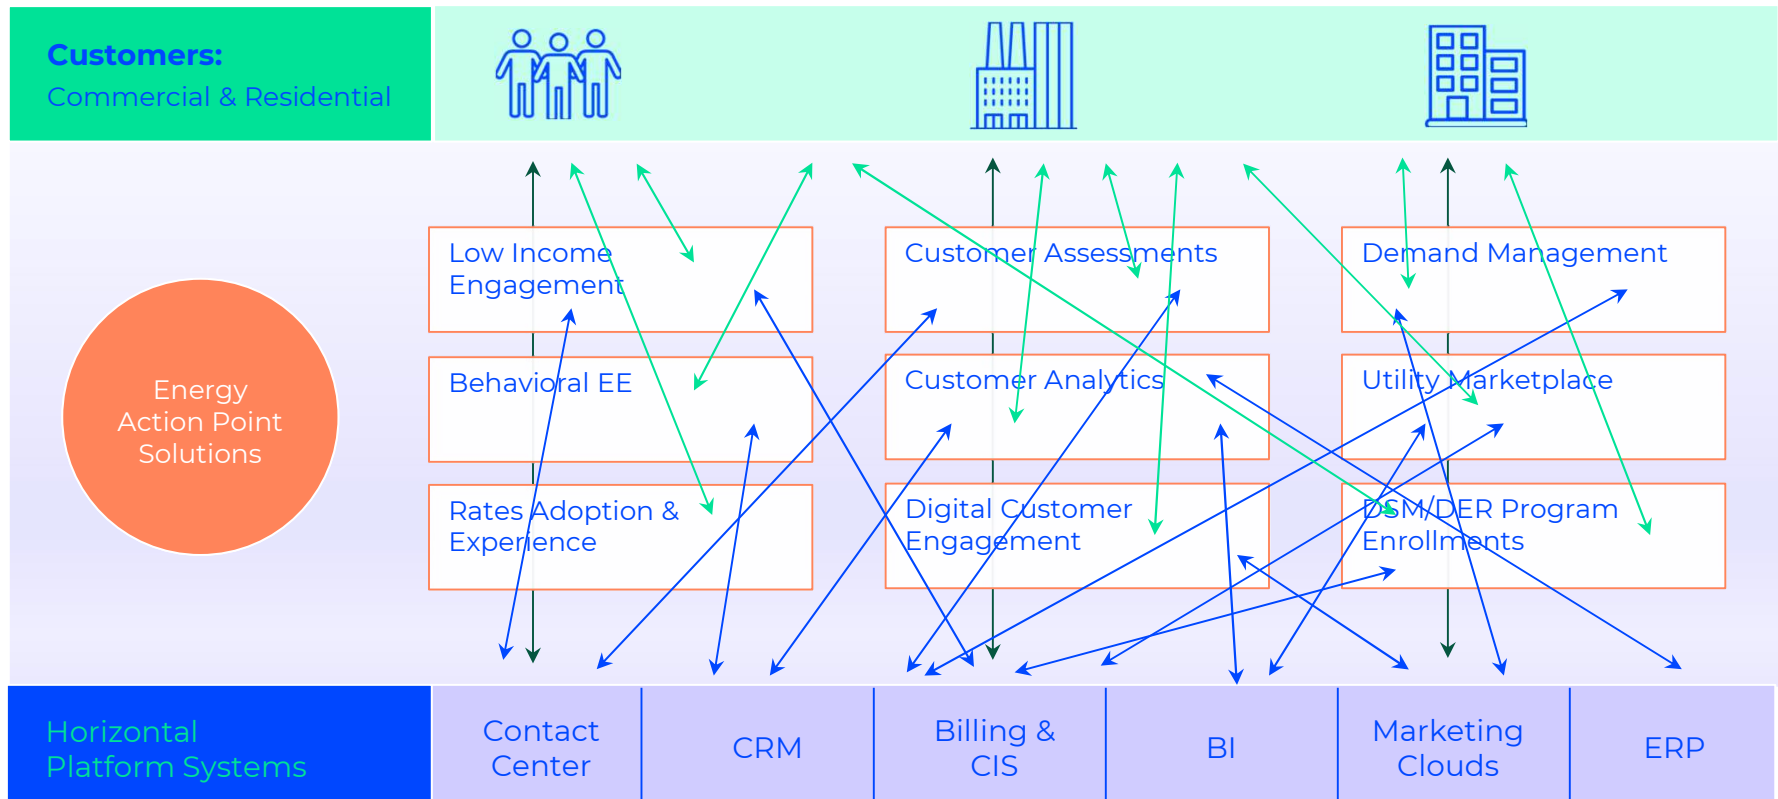

OUR PURPOSE

To Create a More Sustainable Future

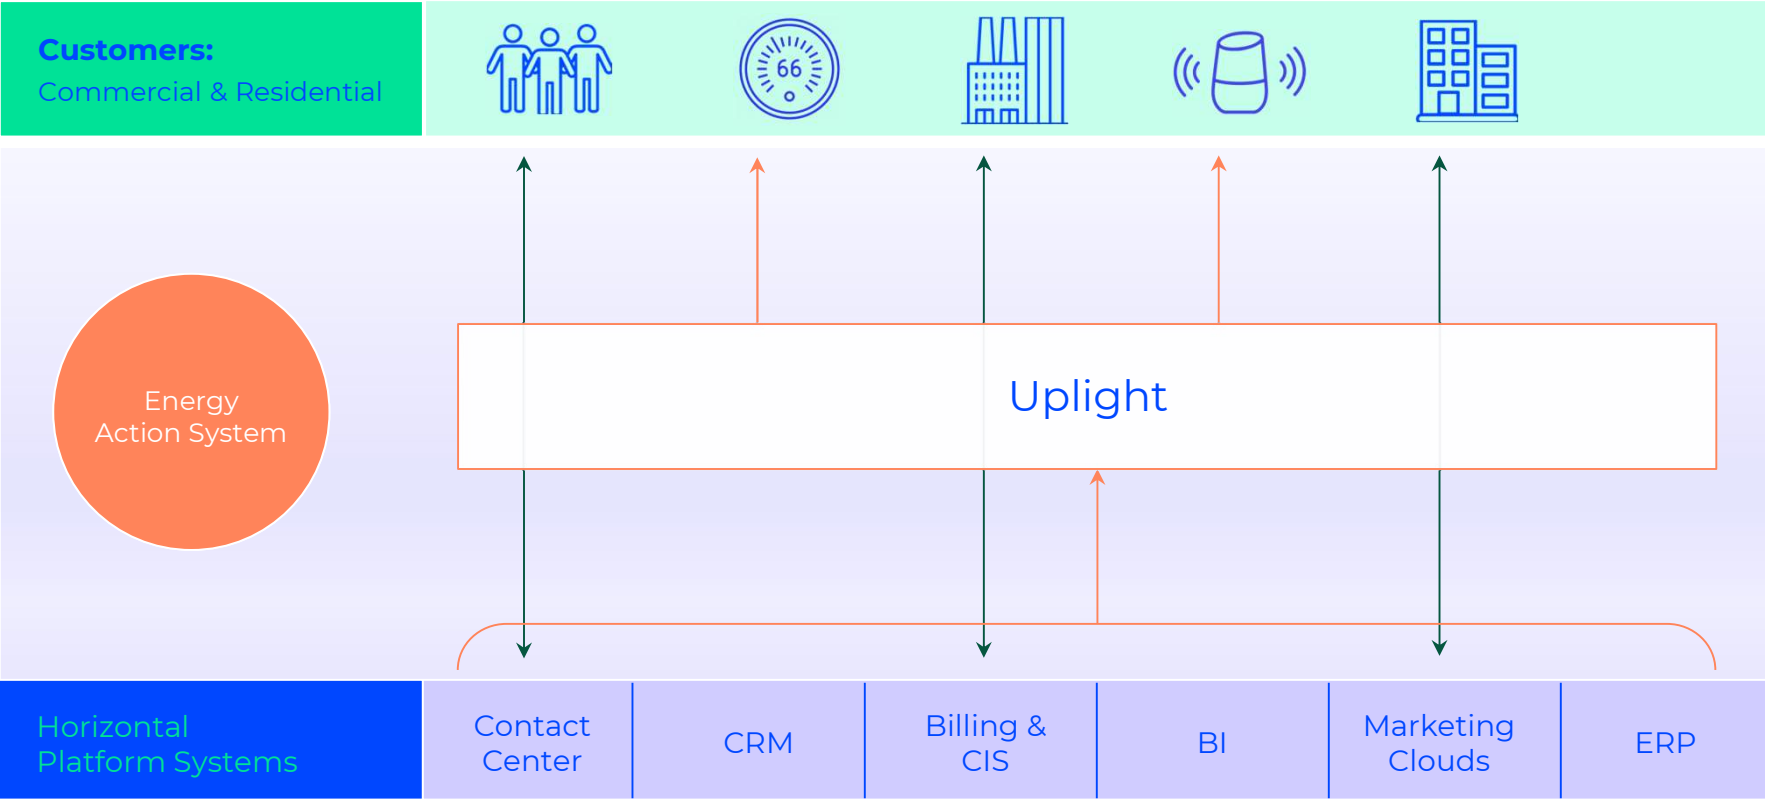

Uplight is a Certified B Corporation

Customer-facing aspects of grid modernization are often addressed in disconnected ways.

The solution is to make the experience seamless.

Thank you
